Vehicles wait in line for the AUTEK Soft Cloth automatic car wash, which has been extremely profitable since opening day at Diamond Shine.

Steve Leydig has been an AUTEK Soft Cloth Car Wash owner since 1992. He purchased his second AUTEK in 1998. "The AUTEK works well and requires little maintenance," Steve commented. "The AUTEK cleans cars with no scratches. Plus, its cost of operation is low and it contributes significantly toward my profits."

The clean design and graphics at Diamond Shine attract customers while the performance of the AUTEK keeps them coming back.
