

Increases Productivity and Generates Cash with

Chevrolet • Oldsmobile • Cadillac

The automatic wash cycle takes 1 1/2 minutes (single or double wash with wax). This allows a throughput of up to 200 vehicles per day.

The wash quality is exceptional, and customers are easily convinced to use the car wash on a continual basis. The **AUTEC Soft Touch Polisher** delivers a perfectly polished vehicle in 10 minutes without labor. No streaks, no swirls and no buffer marks means a perfect delivery and a happy customer time and time again.

- keep inventory clean
- offer free washes to service customers
- wash trade-in's for accurate appraisals
- wash new vehicle deliveries
- offer ten-minute polish & wax to service customers
- deliver clean & perfectly polished vehicles to weekend buyers (spot deliveries)

The **AUTEC Soft Touch** car wash is controlled by an auto cashier that accepts cash and tokenotes. On weekends, when the dealership is underutilizing the car wash, previous car buyers generate both traffic and cash by returning to use the **AUTEC Soft Touch** car wash.

Salisbury, North Carolina - Dealer Principal, Thom Dillard was certain he could increase productivity at his dealership with the added capacity of AUTEC's Soft Touch car wash and polisher
